The Science of Grunting in Tennis! [Is grunting cheating? Is it fair?]; and, Tennis & Statistics: a comprehension exercise!

Both these activities are for students in Years 10 – 12. We would love to hear from any teacher who has a critical & creative thinking skill activity for Primary and Middle School students! Please submit your activity to Frances.Moore@acu.edu.au You will be acknowledged on the website for your contribution.

BTW: The most visited page on our website is Artist **Albert Namatjira!** It would be great if you introduced your students to other extraordinary First Peoples on this website. We welcome other Life on the Job stories – we have 119 to date!
